LIFE
REIMAGINED

Did you know?

A 2021 Employer Survey by Littler Mendelson found that just **4% of employers** surveyed believe most of their employees who can work remotely would like to return to full-time in-person work while **71% of employers** surveyed believe most would prefer a hybrid model.

<https://hrexecutive.com/why-employers-are-struggling-with-their-return-to-office-plans/>

Supporting the mobile & agile workforce

The global pandemic has undoubtedly transformed the way we work, learn, and live. As businesses begin to re-open, many employers are finding themselves re-evaluating what the “next normal” will be and what the future of work looks like. Many will debate whether to keep their teams remote, bring them safely into the office, or support a hybrid approach whereby individuals have a mix of remote and in-person work.

LIFE
REIMAGINED

Regardless of which work model you choose, understand that Targus is still there every step of the way creating solutions that address productivity, sustainability, and health and wellness initiatives. Solutions that are aimed to empower a seamless life – where work-life and home-life are blended. As you look to define your organization’s “new normal,” let us help you reimagine ways to carry, connect, and protect your tech at home, in the office, or on the move.

Let us show you LIFE reimaged.

For the full-office employee

As employees return to work in the office, keeping their workspace clean – and the surrounding environment – is key while also enabling them valuable productivity-boosting tools. As such, we recommend the following workspace solutions, many of which reduce the risk of exposure to harmful microorganisms – like allergens, viruses, bacteria, and mold – commonly found on high-touch surfaces we interact with daily.

1. USB-C Universal DV4K Docking Station w/100W Power DOCK190USZ | \$309.99

Get the most out of your workstation with two ultra-high-def monitors plus integrated power and charging for most USB-C laptops up to 100 watts.

2. Full-size Multi-Device Bluetooth® Antimicrobial Keyboard

AKB864US | \$49.99

Connect with ease and start your typing with this slim, Bluetooth keyboard. Connects up to 3 devices at one time and features Targus DefenseGuard™ Antimicrobial Protection*.

3. BlueTrace Wireless Antimicrobial Mouse

AMW584GL | \$39.99

Wireless. Ergonomic. Antimicrobial. Go cordless and work on virtually any surface easily with a mouse that delivers accurate results right at the fingertips.

4. UVC-LED Disinfection Light

AWV339TT | \$299.99

Automatically disinfect your workstation device accessories – like your keyboard, mouse, or just about any device – reducing the need for manual intervention, cleaning, or touching.

5. Adjustable Monitor Riser with Drawer

AWE804GL | \$34.99

Maximize your desk space and support better posture with this adjustable monitor riser.

6. Privacy Screens

We readily make privacy screens for tablets, laptops, and monitors from 9.7" to 30". Find the right solution for the right device online at:

us.targus.com/pages/accessory-finder

*Antimicrobial protection is limited to the device itself.

For the remote employee

While many of us have mastered the art of working from home, we remind employers that a work-from-home set-up is not a one-size-fits-all approach, but one in which the right set-up with the right accessories makes a world of difference. Consider these accessories for the team working remotely.

1. USB-C Universal DV4K Docking Station with Power

DOCK180USZ | \$259.99

Get the most out of your workstation with two ultra-high-def monitors plus integrated power and charging for most USB-C laptops up to 60 watts.

2. 90W AC Universal Laptop Charger

APA31US | \$67.99

Ideal as a back-up or a replacement adapter, this slim 90W charger is designed to support most brands with its interchangeable tip system.

3. Midsize Multi-Device Bluetooth® Antimicrobial Keyboard

AKB863US | \$29.99

Connect with ease and start your typing with this slim, Bluetooth keyboard. Connects up to 3 devices at one time and features Targus DefenseGuard™ Antimicrobial Protection*.

4. Midsize Comfort Multi-Device Antimicrobial Wireless Mouse

AMB582GL | \$24.99

Navigate, point, and click with this easy-gliding antimicrobial mouse. With its adjustable DPI optical sensor and wireless connectivity, this mouse puts productivity at your fingertips.

5. 16" Dual Fan Chill Mat

PA248U5 | \$34.99

Protect your lap or work surface from heat with a laptop cooling mat that features a ventilated design, plus two built-in fans for optimal air flow.

6. Spy Guard Webcam Cover

AWH011US | \$5.99

Block prying eyes from accessing your webcam with a cover that slides open and closed effortlessly.

*Antimicrobial protection is limited to the device itself.

For the hybrid employee

For employees who need a seamless working experience and the ability to pack up their desks to take home from the office, they'll need compact accessories and protective cases to carry their gear. Others might need a set of tools to keep at home. Check out some of our top picks.

1. Privacy Screens

We readily make privacy screens for tablets, laptops, and monitors from 9.7" to 30". Find the right solution for the right device online at:

us.targus.com/pages/accessory-finder

2. Pro-Tek™ Antimicrobial Rotating Case for iPad Air® (4th Gen) 10.9-inch and iPad Pro® 11-inch (3rd, 2nd, and 1st Gen)

THZ866GL | \$47.99

Reinforced corners, military-grade drop protection, and Targus DefenseGuard™ Antimicrobial Protection* combine to deliver outstanding protection.

3. 15–17.3" 2 Office Antimicrobial Backpack

TBB615GL | \$119.99

This high-capacity backpack can carry all your office essentials and more, including a full-size keyboard, all while wrapped in an antimicrobial coating for added protection.

4. Compact Multi-Device Bluetooth®

Antimicrobial Keyboard
AKB862US | \$24.99

Slim and compact this Bluetooth keyboard can easily go anywhere you go. Connects up to 3 devices at one time and features Targus DefenseGuard™ Antimicrobial Protection*.

5. Compact Multi-Device Antimicrobial Wireless Mouse

AMB581GL | \$19.99

Navigate, point, and click with this easy-gliding antimicrobial mouse. With its adjustable DPI optical sensor and wireless connectivity, this mouse puts productivity at your fingertips.

6. 100W USB-C Charger

APA108BT | \$79.99

Power up on the go with the 100W USB-C Charger. Stash it in your laptop bag and pull it out whenever you need a charge for your laptop, phone, or tablet.

7. Spy Guard Webcam Cover

AWH011US | \$5.99

Block prying eyes from accessing your webcam with a cover that slides open and closed effortlessly.

8. USB-C Dual HDMI 4K Docking Station

with 100W PD Pass-Thru

DOCK423TT | \$104.99

Turn your laptop into a dual video workstation by using your device's USB-C port for dual HDMI, USB, and Ethernet output ports.

*Antimicrobial protection is limited to the device itself.
